

WORLD CONGRESS OF GASTROENTEROLOGY 2026

Transforming Gastrointestinal Health, Preserving Nature

 **30 Sep - 03 Oct, 2026**

 **YASHOBHOOMI**
India International Convention & Expo Centre,
New Delhi, India

MEET THE LEGEND

Professor Barry James Marshall Nobel Laureate

WCOG 2026 is honoured to welcome Professor Barry J. Marshall, one of the most influential figures in modern gastroenterology.

Awarded the 2005 Nobel Prize in Physiology or Medicine (jointly with Dr. J. Robin Warren), Professor Marshall's pioneering work established *Helicobacter pylori* as the primary cause of gastritis and peptic ulcer disease, fundamentally transforming the diagnosis and treatment of gastrointestinal disorders worldwide.

Be part of an inspiring session with one of the world's most celebrated pioneers in gastroenterology.

Meet, interact, and learn from an internationally acclaimed expert.
